- ICT Focused classes including programing and electrical systems.
- U and C mathematics, English and science courses.
- Honor roll 2024
- SHSM-ICT red seal

2019-2024

POST-SECONDARY

St. Clair College, Windsor Ontario

- Course range: PLC+ladder logic programing, DC/AC electrical circuits, digital systems, embedded controllers, project management, etc.

2024-2027

OBJECTIVE

Aspiring engineer looking for opportunities to gain knowledge and experience in my young career. Willing to do whatever it takes to land a solid position where I can apply current skills and grow from each experience.

HIGHLIGHTS

- Proven to be able to work in a team setting and/or independently
- Problem solver and technically curious
- Active college robotics club president 2025-2026
- Striving and working towards a career in Robotics Engineering
- Self-motivated with a positive attitude
- Piloted Enactus St. Clair initiative as project lead
- Learned and adapted quickly to new technology and software applications as a FRC programmer
- Assisted with coordination of multiple fundraisers, events, and charities

EXPERIENCE

STEM EDUCATOR

Geniotech, Windsor Ontario
January 2025-present

- Host STEM classes with multiple educational robotics platforms
- Engaged students with content teaching industry skills and concepts
- Assisted in running summer camp with diverse school groups (ages ranged from grade school to high school)
- Engaged with industry professionals such as OVIN
- Strengthened communication skills through regular interactions with clients
- Demonstrated respect, friendliness and willingness to help wherever needed
